

In need of...

Tires

Brakes

Lights

In need of... pans in from the left side, along with tires, brakes, and lights. After allotted time, tires, brakes, and lights transforms into air filters, fuel pumps, and oil and filters.

In need of...

Air Filters

Fuel Pumps

Oil and Filters

As air filters, fuel pumps, and oil and filters transforms from previous items, allotted time passes, then transforms again, into batteries, spark plugs, and starters.

In need of...

Batteries

Spark Plugs

Starters

With batteries, spark plugs, and starters now on stage, allotted time passes, then list of items fades out to 0%.

Look no further than...

As items are fading out of screen, piston ring logo from bottom left corner begins to rotate and center itself in the center of the stage. As logo centers, look no further than... begins to fade in.

Look no further than...

After look no further than... fades out to 0%, and piston ring logo is centered, The parts you want begins to fade in, followed by the service you deserve after the parts you want is faded in to 100%.

The parts you want, and the service you deserve both fade out to 0% quickly, while the Piston Ring logo returns back to the bottom left corner where it first began. *Creating a smooth repeating motion, back to beginning.*
